OUR PATH *Forward*

Dear Parishioner—

The past year has been filled with unexpected twists and turns. Through it all, we have an opportunity before us to pave our path forward.

OUR PATH

Our faith joins us together on a common path. Milestones on our spiritual journey strengthen our faith community, define us as Catholics, and help guide Our Path Forward.

OUR PURPOSE

We are called by God to be a welcoming, worshiping community of faith, hope and love. As missionary disciples our mission is to be a light brightly visible; to evangelize, to celebrate our faith, to be of service to others, to educate and to be faithful stewards.

OUR PEOPLE

Throughout history Catholics have been leaders in generosity, service to the poor, and sharing God's grace. We feed the hungry, shelter the homeless, poor and vulnerable, as well as provide spiritual guidance to all. As Catholics we understand that giving back is a way of life.

Our Path Forward

The contributions we offer to our parish do much more than provide building repairs and updates. Our sacrifices not only help our local community, but have far reaching impacts. As we face challenging times it is up to us to continue to support the mission of vision of our local and national church, so that we can better serve our community and the needs of others.

Now more than ever, we are called to collectively strengthen our commitments to our shared purpose. Please consider moving a step forward on your stewardship path, with an increase in your weekly offering.

On the back side of this letter, please share how you are inspired by our parish on the tear-off section and return it to us.

You can also go online at: www.opfaob.com to share more.

We are so excited to hear from you!

We are humbled by and grateful for your support.

FOLLOW THE PATH FORWARD

Incremental increases in giving (even 1%) can move you forward along the path.
